 - Meldreth Station: schedule for new shelter
5. Spring gardening plans
6. Report back from visit to Hills Road Sixth Form College on sustainable transport choices
7. Proposal to revert to free membership
Constitution currently states: 'The aim of the Association shall be the retention, improvement and greater usage of the Cambridge-King's Cross Line between Royston and Cambridge, and with local bus services which should be integrated with it. *Membership shall be open to all persons and bodies in agreement with these aims on payment of a minimum annual subscription.*'
Because MSFRUG has no significant expenses and receives so many donations in kind, and because collection of minimal subs is an onerous task, it has been proposed that this is changed to:
'Membership shall be open to all persons and bodies in agreement with these aims. MSFRUG will accept donations.'
8. Any Other Business
9. Dates of next meetings: June, September, December, 15 March 2016 (AGM). All to be confirmed.
