

## **Foxton Station: a birthday and a garden**

On July 9<sup>th</sup>, at 12:14, Foxton Station will be marking an inauspicious birthday – 163 years - in style. This will be part of the Meldreth, Shepreth and Foxton Rail User Group's three-station celebration.

Our plan is to use the occasion to smarten up all three stations with planters, window boxes and possibly even runner beans and sweet peas, with help from our local primary schools and garden enthusiasts – and to maintain the garden year-round. The Foxton Garden Association has kindly offered to lend ideas and a helping hand.

Meanwhile, Mike Sharman and the Common Stream local history group will be at Foxton Station with a few surprises, and to help crack open the ice cream.

At 1:05 Mike and his historical entourage will be boarding the train for Meldreth, and then an hour later off to Shepreth. Each station will have a new and unique garden of its own... and yes, there will be free ice cream at every stop! We hope you will join us on the day.

Please get in touch if you'd like to get involved in helping to make plans.
